FROM THE PRINCIPALS

Welcome back to what promises to be an exciting, eventful and very busy school year. Already our students and teachers have settled into the classrooms and the learning programs are well underway. All of the class groups have been establishing their classroom purpose statements and agreed expectations of behaviour. The Parent Information sessions have also already commenced and will continue over the next few weeks. Most importantly our students appear to be happy to be back to school with big smiles and cheery greetings – always a good sign!

Over the holidays we have had a number of new enrolments and this has necessitated a couple of class changes. We have also welcomed two new teachers, Jemima Simpson and Jess Anderson. Jane Martin has also returned to us and is in the Year 3 class. Our new teachers have quickly become invaluable members of our team and we are looking forward to further utilising their expertise in the terms ahead.

Our P&C Welcome Picnic will take place on Friday, 17th February. This is a great opportunity to meet other families who are in the same classes as your children and we look forward to catching up with you all at the picnic.

NEW TEACHING STAFF

Hi, my name is Jemima Simpson and I am the new Year 2/3 teacher at Mosman Park Primary School. I have been teaching for 12 years and absolutely love it. Most recently I have taught Year 3 at Holy Rosary School in Doubleview. Teaching children from their point of interest and catering for each child at their level of ability in the classroom is really important for me. My strengths are teaching Literacy, Numeracy and Science. I have also completed a Bachelor of Biological Science at James Cook University and I love sharing my science knowledge with the children in my classroom. I look forward to meeting as many families in our community as possible over the coming weeks and teaching our gorgeous children.

My name is Jane Martin and I will be the Year 3 teacher this year. I am from County Down in Northern Ireland where I completed my Bachelor of Education. I spent some time working in an International School in Madrid before moving to Australia. Before Perth, I lived in Melbourne and taught in St Francis Xavier Primary School in Frankston. I have been working in Mosman Park Primary since 2014, working in the Year One classroom alongside Amanda Fraser. I am very much looking forward to the year ahead.

My name is Jess Anderson and I am teaching in Year 3, Room 5 this year on Wednesdays, along with working in early childhood areas on Fridays. I absolutely love teaching. Integrating technology into learning will be a focus this year as ICT (Information and Communications Technology) is also a great passion of mine.

This is my eleventh year of teaching. I was first posted to Katanning PS where I taught Physical Education for a year, then Year 2 for the following two years. I was then transferred to Kinross PS for the next 5 years. I have recently been on maternity leave, working as a relief teacher, with regular work at both White Gum Valley PS and East Fremantle PS.

I am really excited to have this opportunity to work at this great school.

LIBRARY NEWS

Welcome to our library, Our school library has a fantastic range of fiction and non-fiction resources and all students have the opportunity to borrow once a week during their class library session. To help library time run smoothly, could you please remind your child when it is their library day so they remember to return their books. I encourage students to use library bags as it reduces the chance of damage to books, and if books are damaged or lost, replacement or payment is much appreciated. Library days this year are Wednesday, Thursday and Friday, **and the library is also open Monday at lunchtime.** If you love books and have a little bit of free time I would appreciate help book covering, shelving or creating displays. It all helps to ensure the library remains a wonderful and peaceful space for students to enjoy.
