## FROM THE PRINCIPALS

It is with pleasure that we welcome all of our students, families and staff back to what promises to be a very exciting and learning-focused school year. We are welcoming many new families to our community and it has been fantastic to see how quickly student friendships have been formed in both the classroom and the playground.

Parent Information sessions will be held over the upcoming weeks. These sessions will provide you with a more in-depth understanding of how your child's class works and will provide an opportunity to ask the class teacher any questions that may still need clarification. Throughout the term class teachers will provide regular email updates to parents. Classes will also be utilising 'Seesaw' – a digital portfolio that allows students a place to document their learning, be creative and learn how to use technology. Parents will be provided with log in details and information about how they can keep 'up to date' with the exciting projects their child is completing in class.

This year we are pleased to welcome Mrs Sophie MacFarlane as our part-time Art Specialist. Sophie works with us on a Monday and Tuesday and for the first semester will be working primarily with the PP – Year 3 students. We are currently trying to refurbish the area underneath Room 9 so that it can be used as a dedicated Art Room. In the meantime, however Sophie is conducting her art lessons in the main classrooms.

Our P&C Welcome Picnic will take place at school on Friday, 16<sup>th</sup> February from 5pm – 7pm. This is a great opportunity to meet other families who are in the same classes as your children and we look forward to catching up with you all at the picnic.

\* In a group post, please remember your comment is shared with everyone tagged - students and parents, we do encourage comments as this is a great way to show support for your child's learning.

\* You are welcome to share your QR code with grandparents so they can also join us! I hope you find this a fun way to communicate and to see some of the things your child is learning.

### STUDENT ARRIVAL TIME

A number of students are arriving very early to school – well before staff. Students at school before 8.15am may not be adequately supervised and at risk of stranger danger, or accidental injury. Staff need to set up their own classrooms for the start of the school day and so are unable to supervise students who arrive early.

Classrooms generally open at 8.30am; students arriving before this should be seated in the undercover area, under the fig tree or on the verandah of the main building (not in the play grounds).

Families who are unable to care for their children before school starts can book into the YMCA Outside School Hours Care which operates from the school library starting at 7am. Your support in this is greatly appreciated.

### MOSMAN PARK - BEFORE AND AFTER SCHOOL CARE

YMCA Outside School Hours Care operates at Mosman Park Primary School.

*Before School Care* operates from the library at Mosman Park Primary School from 7.00am till the start of school.

*After School Care* operates from Alf Adams Pavilion on the oval next to the school on Solomon Street from the end of school till 6pm.

Please drop into the service to get an enrolment form or give the service a call on 0459 988 085.

### SIGNING IN AND OUT

Mosman Park PS has a book for parents to sign their children in and out if they are late to school, need to leave during the day for an appointment or if your child is ill. This document is an important one as it will ensure that in an emergency we know where your child is, reducing confusion and unnecessary concern. Your attention to this would be greatly appreciated.

### CONGRATULATIONS

At the Town of Mosman Park's 2018 Australia Day celebrations, Marg Baldwin, who has volunteered at our school for over 50 years, was recognised for her outstanding efforts in enriching the lives of her fellow community members of all ages.

**Congratulations to Citizen of the Year (Senior):  
Margaret Baldwin OAM**

## WELCOME TO OUR LIBRARY

Our school library has a fantastic range of fiction and non-fiction resources and all students have the opportunity to borrow once a week during their class library session. To help library time run smoothly, please remind your child when it is their library day so they remember to return their books. I encourage students to use library bags as it reduces the chance of book damage, and if books are damaged or lost, replacement or payment is much appreciated.

Library days this year are Wednesday, Thursday and Friday and if you have a little bit of free time I always appreciate assistance in book covering, shelving or creating new displays. It all helps to ensure the library remains a wonderful and peaceful space for students to enjoy.

Amanda Rankin, Library Officer

Respect, Compassion and Service underpin everything we do.

Please feel free to contact me Monday to Friday for anything you are not sure about. I will endeavour to assist you in finding out the information you need or provide links to those who can help you. Have a great year and I look forward to chatting with you in the school grounds.
