Newsletter #9 20 June 2019

FROM THE PRINCIPALS

Welcome to Graeme – our Traffic Warden

We are really pleased to welcome our new Traffic Warden to the Mosman Park Primary School community. Graeme is on duty every morning and afternoon and helps our students and families to cross the very busy Victoria St.

We have spoken with all of the students about using the crossing safely. The most important thing to remember is to wait for the whistle to be blown before crossing. This ensures that all traffic is safely stopped

before the students start crossing. We have also reminded students who are crossing Victoria St to walk down to the crossing and not to try and cross at other points. If you are on a bike or scooter you need to dismount and walk across the crossing (they have asked us to make a particular point about this as walking the bike makes you a pedestrian rather than a vehicle). Graeme is really enjoying the job and is delighted with the friendly greetings that he is receiving.

Kindy and Pre-Primary Enrolments

Enrolments for 2020 Kindy and Pre-Primary classes are now open. Applications will close on Friday 26 July 19. If you know of any families who may have Kindy age students and who have not already applied for enrolment, please let them know that enrolment application forms are available on the website or from the school office.

School Musical

We are excitedly awaiting the opening night of the Mosman Park PS School Musical – *The Amazing Adventures of Super Stan*. Students have been rehearsing throughout the term and I'm sure the final production will be well worth the long wait. Shows will be held on the 3rd and 4th July.

Alison Robb and Monique Smith

PRINCIPALS

MOSMAN PARK PRIMARY SCHOOL

SCHOOL WEBSITE – QR CODE

By hovering over this code with your device, you will be directed to the school website. New information is added to the website weekly.

ASSEMBLY

The final assembly for Term 2 will be held on Friday, 28th June at 8.50am. Ms Burton Year 2, Room 7 class will present the assembly and we encourage everyone to attend.

MERIT CERTIFICATES

Congratulations to each of our students who were awarded certificates at our last assembly.

Pre Primary	Ella Phelps Ben Munday	Amelia Harris Billy Jenkins
PP/Year 1	Harley Galvin	Emilie Spring
Year 1	Valentina Binder Sage Roohi	Angus MacKinnon Sophie Robertson
Year 2	River Fitzhardinge	Nicholas Endersby
Year 2/3	Alex Gilling	Sam Bailey
Year 3	Patrick Middenway Luke Gourlay	Harrison Riley Jordan Crews
Year 4	Sam Albrecht Lola Brooks	Allegra Fallick Andie Gonzalez
Year 5/6	Oisin Harrison Ashleigh Levitze-Gray Rosie Emslie	George Haddrell Luke Middenway Neva Barker
MPSDC	Jahmeel Yappo	Shai Strong

TERM 2 ENDS, TERM 3 COMMENCES

Term 2 concludes on Friday, 5th July at 3.10pm.

Term 3 commences for students on MONDAY, 22ND JULY 2019. Enjoy a safe and happy school holiday break.

APPLICATION FOR KINDERGARTEN AND PRE PRIMARY 2020

The Kindergarten application process concludes the first Friday of Term 3 (26 July) and enrolment packs will be sent to successful families mid Term 3.

To enter Kindergarten next year, your child must turn 4 by 30 June 2020. Please note that families are only permitted to apply to one state government primary school.

Kindergarten and Pre Primary application forms are available from the school office or the website: <https://www.mosmanparkps.wa.edu.au/view/for-parents/enrolment>

SAFETY FIRST

At our Values Assembly we have been talking about our 5 Positive Behaviours. We have talked about Mutual Respect last term and this time we focused on our priority of Safety First. We thought about some incidences in schools where this was particularly important:

- Wet weather – taking care when it rains, avoid mud & puddles (near T12 which is currently cordoned off).
- Canteen- standing in the correct rows so that the 1-2s are in one, 3-4s in another and 5-6s in the final row. Teachers can then marshal students into empty rows to keep everyone safe. Students should also stand back from the student being served at the counter to give them room to step out of the way with their food. Square Ball games are banned in the undercover on Friday recess to avoid accidents with students in the rows.
- Fig throwing is prohibited
- Tackling games and Build Up are also banned as they are dangerous
- Play Ground Patrollers – Year 6 students in the onesies are there to support students in play but we also need to keep them safe – younger students are reminded not to jump on their backs
- If you see someone doing something dangerous - don't physically intervene. Ask them to stop or see yard duty teacher in fluoro vests
- Medical attention – band aids can be requested from duty teachers or for further help students should go to the front office - medical room
- Fooling around and making any sort of physical contact has the potential to lead to accidents or may cause a fight if someone doesn't like it.

And finally, students should not run or ride bikes/scooters through the built up areas in the main part of the school during the school day from arrival to departure.

COLD & FLU SEASON

Please remember that Health Department guidelines are that 'students with a cold/flu should not return until they are symptom free'.

SUPERSTAN IS ALMOST HERE!

The countdown is on. The Mosman Park Primary School musical Superstan will be live, on stage, at John Curtin College of the Arts in less than two weeks. Tickets are selling superfast but there are still seats available through www.trybooking.com/BCXOD Please note that the four tickets per family limit has now been lifted.

On Tuesday of Week 10 there is a Technical Dress Rehearsal at the Curtin Theatre that all students need to attend. Permission notes were sent home with the BIG MUSICAL NOTE. Please return this note to your child's teacher as soon as possible.

Thank you to all the parents who have volunteered to help at rehearsals or backstage on the nights, or have assisted so far. The show could not go on without you!

OVERDUE LIBRARY BOOKS

Holidays are nearly upon us! Time to go a-hunting under the bed, behind the cupboard or in your brother's bedroom and find those missing books!

JUMP ROPE FOR HEART UPDATE

This has been postponed until Term 3. It will be held on Thursday 1st August. Your class will come down with another class to do a session of skipping through the day. It will be high intensity and loads of fun! If there are parents that are available to help out on the day, please contact Mr Ong or the school.

STUDENT COMMUNITY SERVICE & FUNDRAISING COMMITTEE

Salvation Army Blanket Appeal

Homelessness can
affect anyone you know
- your neighbour, your
friends even your family.

Homelessness affects children!

We will be collecting Sleeping bags and blankets for the Homeless until Friday 5th July. Please support this worthy cause. There will be a large tub in the Library for you to drop off your donations. Thank you

Food Allergies

We have done a survey of students and discovered that there are a number of students who have food allergies. So we would like to try to provide some alternatives for these students. For a trial period we will offer gluten free and dairy free options at Breakfast club and for the Sausage sizzle. If this affects your child please let them know that we will be doing this for a trial period. Please keep in mind that it is an expensive exercise and is for those with medically diagnosed issues only. If there is not enough interest we will cease these options.

INTERSCHOOL CROSS COUNTRY COMPETITION

A superb cross country running event was held at Jolimont Primary School on Thursday June 13. In the morning the weather was wet, however the sun came out and superb running conditions the Mosman Park Cross Country Team when we arrived at Jolimont Primary School. We were looking to continue our success after winning the event in 2018 and although we did not win the event, we achieved a strong second place overall. All children strived to do their best and it was fantastic seeing children cheering and supporting their peers. The results were:

Cottesloe - 116

Dalkeith & Mosman Park - 103

Jolimont - 80

Mt Claremont - 46

Hollywood - 28

UNIFORM SHOP

Please note, the uniform shop will not be open Friday 5th July. If you need any additional uniform, please have all orders in by Thursday 27th June. Normal hours will resume Term 3.

TECH TALK

BINARY

Last week in Digital Technology, students were learning how to use the binary system.

The binary number system is a base-2 number system. This means it only has two numbers: 0 and 1. Computers operate in binary, meaning they store data and perform calculations using only zeros and ones.

How do binary numbers work?

Binary numbers only use the numbers 1 and 0. In a binary number each "place" represents a power of 2. For example:

$$1 = 2^0 = 1$$

$$10 = 2^1 = 2$$

$$100 = 2^2 = 4$$

$$1000 = 2^3 = 8$$

$$10000 = 2^4 = 16$$

Converting from Binary to Decimal

If you want to convert a number from binary to decimal, you can add up the "places" that we showed above. Each place that has a "1" represents a power of 2, starting with the 0s place.

Examples:

$$101 \text{ binary} = 4 + 0 + 1 = 5 \text{ decimal}$$

$$11110 \text{ binary} = 16 + 8 + 4 + 2 + 0 = 30 \text{ decimal}$$

$$10001 \text{ binary} = 16 + 0 + 0 + 0 + 1 = 17 \text{ decimal}$$

In some classes, students created binary bracelets and in the older years they made a Flippy Do. See if your child can teach you how to work out the binary code for a number.

HOPSCOTCH

Another great app that kids can use to learn to code and make games is Hopscotch! Your kid will never run out of ideas. As they become better programmers, Hopscotch will continue to inspire and challenge them to create increasingly advanced games and apps.

Technologies Specialist,

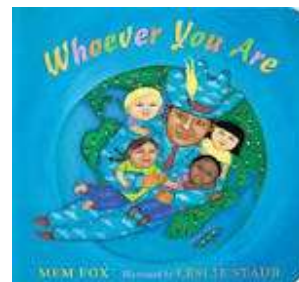

Jess Anderson

KINDERGARTEN ORIENTATION SESSION

As part of the Mosman Park Primary School Kindergarten Orientation Program, all parents and their Pre-Kindy children are invited to the next story time and play session tomorrow Friday, 21st June from 9.30 – 10.30am.

Our Kindy teacher Denise Barnett will read "Whoever You Are" by Mem Fox.

Future sessions are 16th August, 13th September and 8th November.

LIGHTNING CARNIVAL

The annual interschool lightning carnival will be held next Wednesday 26th June 2019 at College Park, Claremont for selected students from Years 4 – 6.

Parents are welcome and encouraged to come and cheer their children along.

INTERSCHOOL SPORT

Interschool fixture – MPPS v Cottesloe was cancelled due to inclement weather. The next fixture v Swanbourne which includes, netball, hockey, AFL & soccer is on Friday 21st June at Swanbourne Primary for selected student's years 4-6.

PARKING

Please note that parents are not to park in the Staff car park, or indeed drive onto the school premises without permission. Parking in the staff car park poses a safety hazard to children walking to and from school. Please make sure to park in the allocated school parking on Solomon Street entering from Victoria St, with additional parking available on Solomon St entering from Lochee St. There is no school/parent parking on Winifred St.

P&C NEWS

Please refer to the separate attachment with the newsletter email for P&C News. Please also find an attachment for a P&C fundraiser and Winter Wine offer from Grace Farm, thanks to school parent Phoebe MacKinnon.

Jane Cresswell mppspresident@gmail.com

CHAPLAIN'S CORNER

Dear Parents and Caregivers,
We will be offering the Drum Beat program next term. It is a 10 week program that addresses emotional issues, expressing feelings and providing an avenue for release of tension and stress. African Djembe Drums are used. If you would like some more information about this program, please speak to me or Dani or Monique Smith as we all have first hand experience with this program. I am also working on getting the 'Drumbeat Quest' program put onto our iPads for students to use once they are familiar with the program. If you need any support with this program or any other issues to do with school, family or support services please contact me using the info below.

Blessings, Rhonda Miller,
YouthCARE School Chaplain

M: 0403 523 066 E: rhondam@youthcare.org.au

COMMUNITY NEWS

Children's Activity Program - Research Volunteers Required

The research team at the Neurocognitive Development Unit, at the University of Western Australia, are currently looking for children aged between 7 and 11 years old to participate in the Children's Activity Program (RA/4/1/5926). Children have the opportunity attend a one day activity session during the July school holidays, where they will participate in a range of computer tasks, word games and puzzles. Children invariably find the activities enjoyable and stimulating, whilst contributing to research. If your child is aged between 7 and 11 years and you would like us to send you an information pack, please contact Anna at mailto:anna.jorgensen@research.uwa.edu.au or 6488 4652

COMMUNITY NEWS continued..

TEAM CHALLENGE

Team challenge is a 4-week program where kids (girls and boys) participate in a series of group games designed to advance general life skills in a fun and relaxed setting.

- Developing healthy friendships
- Assertiveness
- Problem solving
- Confidence
- Empathy and compassion

After Week 1, your child will be allocated to a like-minded group who will work with closely to solve various challenges and achieve targets.

Groups will commence from Term 3 hosted by St Hilda's Anglican School for Girls - Junior School (McCabe St, Mainman Park).

Team Challenge Dates for Term 3:

Years 5-6 Tuesdays commencing 8th August

Years 3-4 Thursdays commencing 8th August

All sessions will run from 3:30 - 5pm

Supervision will be available from 3:15pm and children are encouraged to bring afternoon tea.

Sessions cost \$80 each or a discounted up-front payment of \$430.

Each group will run with a maximum of 12 participants so complete the 'Expression of Interest' form ASAP to register your interest!

For further information, please email suzanne@kiddysport.com.au

Groups will be coordinated by Dr Suzanne Russell Smith, a Clinical Psychologist at Child Psychology. Suzanne specialises in the social and emotional development of children and adolescents.

Assisting Suzanne will be UWA Clinical Psychology Masters students.
