Newsletter #14 24 September 2020

FROM THE PRINCIPALS

Happy holidays everyone. As we move into the Noongar season of Kambarang, we are seeing more dry, sunny days and so much of our native flora is bursting into colour. It's certainly a lovely time of year to take a break and reenergise.

The construction crew working on the new admin build will be doing the opposite however. They will be working hard with the intention of having the development mostly completed by the start of term four. We are certainly looking forward to moving into the new space.

I would like to thank the staff of the Deaf school for another fantastic term for our students. Every day you work to provide the absolute best learning environment for our students and I am so proud to see they are all making individual progress. This was incredibly evident at our recent excursions to Landsdale Farm and the Auslan Celebration at North Metro TAFE. Staff did all the necessary preparation and adjustments to make these trips fantastic successes and our students were excellent ambassadors of our school.

Have a great holiday- you all deserve it!

Monique Smith and Alison Robb

SWIMMING CARNIVAL

The House swimming carnival has been rescheduled to Monday 19th October. It will take place in the morning at Claremont Pool.

JUMP ROPE FOR HEART

Well done to everyone that has been fundraising, our school has raised over \$3,600 that will go directly towards research into the cause, diagnosis, treatment and prevention of heart disease! Fundraising will close on the last day of Term 3 and fundraising prizes will arrive at the start of Term 4. Worried that you'll have to wait another year for Jump Rope? We'll still be skipping every Wednesday and Thursday at lunch time. Do you think you can keep a secret? Mr Ong is organising a super-secret skipping performance for the end of Term 4. There will be trials in Week 1 to select performers. Those selected will be required to attend one before school practise and one lunchtime practise in the lead up to the performance. Time to brush up on your skipping skills!

INTERSCHOOL ATHLETICS CARNIVAL

On Wednesday 16 September Mosman Park hosted the Interschool Athletics Carnival (B Division Shield) on Mann Oval. The conditions on the day were superb and the children competed superbly. Our Mosman Park Students were victorious on the day and won the Interschool Athletics Carnival. Jolimont was a close second and Dalkeith finished third.

Jolimont finished first with Cottesloe and Mt Claremont schools tied for second place in the Meritorious Shield.

PROTECTIVE BEHAVIOURS

Our school is focusing on teaching children about protective behaviours. This is an important aspect of the curriculum and an important set of life skills. We would like to work in partnership with our families on this and so we are sending a Parent Handbook on this topic with this newsletter. We hope you find it helpful in talking to your child about these behaviours.

TERM 4

Students resume on
Tuesday 13 October.

FROM THE CLASSROOMS

The year 5 students from T10 and T11 finished off their Chemical science unit in style making some gas powered boats. Using only small water bottles and straws, the students had to design a boat that would be powered with bicarb soda and vinegar. The children then had to test their boats to see if they could travel 50cm. So much fun was had and some brilliant boats were made!! Well done everyone.

AND THE WINNERS ARE...!

In the last newsletter there were photos of the Calligraphy lessons which were held as part of the Japanese program earlier this term. In this newsletter, I have the pleasure of announcing the runners-up and winners for each group. *Omedetou* (congratulations) to:

Year 4 Room 6 Runner Up: Luke ルーク Gourlay

Year 4 Room 6 Winner: Michelle ミシェル Pang

Year 4 T12 Runner Up: Patrick パトリック Middenway

Year 4 T12 Winner & Overall Year 4 Winner:

CHAPLAIN'S CORNER

Dear Parents and Caregivers,
 We are glad to inform you that we will be supporting Samaritan's Purse 'Operation Christmas Child Shoebox Appeal' again this year. This is a great school holiday activity. Kids can get together with some friends and each person buys a bulk pack or two of identified items, they get together with their friends and they share the items with each other making up several boxes. PLEASE remember ... Each box costs \$10 to post to a 3rd world country, this will cover container fees, voyage fees and customs on arrival. Please put \$10 in an envelope or complete the credit card details on the form. If you require a box, please see me in the Multipurpose room with double blue doors. We will be collecting filled boxes up until the end of October.

Chess Club ... Is held in Room 8 on Wednesday mornings from 7.30am until 8.30am. This club caters for students at all learning levels and this is an amazing game which teaches Thinking and planning skills, strategies, patience, confidence, tolerance, resilience and good sportsmanship. Register your child/ren for next term which starts in week 1 and is \$100 for the whole term including finals held at the

end of each term.

If your child requires support or you have a need please contact me via school number or email.

Blessings, Rhonda Miller, YouthCARE School Chaplain

The Sport of Fencing

Fencing is an exciting, safe, modern, and fast paced sport which can be enjoyed by any person of any age, gender and sporting ability. It is one of only four sports to have been contested at every Modern Olympic Games. The objective is to score touches with a sword against a similarly armed opponent.

Fencing can help participants develop:

- Fitness;
- Stamina;
- Strength;
- Dexterity;
- Balance;
- Reflexes;
- Hand-eye-foot coordination;
- Tactical and strategic thinking skills;

UWA Fencing Club

The University of Western Australia Fencing Club, formed in 1947, is one of the oldest fencing clubs in Western Australia. We welcome all members of the community including wheelchair participants, whatever your age, fitness or ability. We aim to provide a safe and inclusive environment for everyone.
