Newsletter #8 18 June 2020

## FROM THE PRINCIPALS

With the current COVID restrictions still in place and assemblies unlikely to re-start in the near future, we have been investigating ways of sharing our achievements and performances with you. Yesterday we sent home, via email, our first 'virtual assembly'. Congratulations to T13 for their fabulous item and also to the Student Leaders for their 'Around the School' reports. We are also very proud of all of the Merit Certificate awardees. Their certificates are currently on display and will be coming home with students before the end of term.

We would also like to congratulate some of our extraordinary Year 6 students. Seven of our students have been successful in their application to the 2021 GATE Drama program at John Curtin College of the Arts. Congratulations to Luca Romero, Jordy Vanson, Leah Roohi, Millie McCallion, Elly Criticos, Lola Pieyre and Tom Franc. Tom was also successful in his application for a Drama Scholarship at Christchurch Grammar School and will commence the scholarship next year.

## APPLICATIONS FOR KINDERGARTEN AND PRE PRIMARY 2021

Applications for Mosman Park Primary School Kindergarten and Pre Primary opened at the commencement of Term 2. Application forms are available on the school website, under the 'For Parents/Enrolments' tab. [www.mosmanparkps.wa.edu.au](http://www.mosmanparkps.wa.edu.au) Otherwise please email the school and we can email an application to you. [mosmanpark.ps@education.wa.edu.au](mailto:mosmanpark.ps@education.wa.edu.au)

The application process concludes the first Friday of Term 3 (24 July) and enrolment packs will be sent to successful families mid Term 3.

To enter Kindergarten next year, your child must turn 4 by 30 June 2021. Please note that families are only permitted to apply to one state government primary school.

Pre Primary application forms are also required now and can be found on the website

## RECONCILIATION WEEK

We celebrated Reconciliation Week in a fairly low-key Covid-19 kind of way this year. Each class nominated how they would celebrate the week in their classroom. Many worked on Acknowledgement of Country activities, dreamtime stories and other books, songs, HASS activities, including learning about Sorry Day, and lots of Aboriginal inspired art works such as dot paintings. We hope to be able to invite some guest speakers out shortly to talk to our older children about their experiences of the stolen generation.

Students in EC4, T12 and Room 6 did some fabulous dot paintings as part of Reconciliation Week.

The Starry Art dot painting is based on the Australian aboriginal artist Bronwyn Bancroft.

Bronwyn Bancroft is well known for her colourful paintings, prints and textile design. She is an advocate of arts and education for Indigenous Australians. Bronwyn Bancroft is a Bandjalang artist of the Djanbun clan, born in Tenterfield, NSW in 1958.

## APPOINTMENTS AND LATE ARRIVALS TO SCHOOL

A reminder that if your child arrives late to school due to an appointment, or leaves during the day, they must be signed in/out by an adult. A child can not be dropped at the gate out the front and sign themselves in, or leave the school grounds without an adult signing for them.

## CANTEEN STARS

It's been great to see the school canteen resuming accepting online lunch orders. A big thankyou to Jane Cresswell and Taylor Langley who have completed all the necessary Covid training and have taken on the volunteer task of

keeping then canteen running this term. For a quick note from Taylor please refer to the article on page 3.

## MUD PLAY

The Pre-primary and Year One students made the most of the sunshine this week playing and mixing with sand and 'out of date' spices! It all smelt rather tasty!

## INQUIRY PROJECTS

Year 5/6 students in T13 have been busy working on inquiry projects for HASS. They are applying the skills of note taking, research skills and informational text structure to projects produced at home which are then presented to the class. Monty

crafted a diorama and an engaging PowerPoint presentation which looked at life in the trenches in WW1 and Emily did a creative flow chart all about weather. "I learnt so much about the weather and enjoyed sharing it with my class".  
*Emily T13*

## ALIENS AND PLANETS IN T13

What better way to learn about the planets than to create an alien to assist you with the research? Emily, Jasmin and Lola created Smuf, a cute, blue alien made of clay, rocks, blu tac and paint to assist them to present some interesting facts about the planet

Mars. The assistance of the aliens certainly enhanced the engagement with the research for the students!

## LOST PROPERTY

A reminder to please mark all school uniform with your child's name clearly. Recently we were trying to hand back lost property to the classrooms, and a large pile of uniform was not named or illegible.

## VISITING THE PRINCIPALS OFFICE

Mrs Robb recently welcomed EC3 for a visit! The students were keen to see inside the Principal's office,

## CHAPLAIN'S CORNER

Hi Parents and Caregivers,

THANK YOU for your support of this community service endeavour to support homelessness through the Perth based 'Homelessness - We Care'. Your donations were gratefully received and were distributed out to those in need on Tuesday night. If you intended to donate but just didn't get around to it then please feel free to bring in your donations and I will pass them on to the organisation on your behalf. Thanks again.

**Netball skills for the beginners**, I have begun collecting names and details of students interested and there are already 7 or 8 students on the list so please let me know if your child is keen to join in. This is a free afterschool event which will likely be held on Thursday afternoons after school from 3.15pm - 4pm starting next term. There are registration forms at the front office if you would like to enrol your child. If you have contacted me via email I will send you a copy of the form to complete.

**'Drumbeat' social and emotional** program - This is also a free event and I have a couple of names on the list so if your child is interested please contact me through the school and I will discuss the details of this program with you. It will likely be held on Tuesday afternoons after school from 3.15pm - 4pm starting next term, as this is the only afternoon of the week which I'll be free to run it.

'Rainbows' Grief and Loss program is an in-school program and will only run if sufficient students in appropriate age groups enrol. It will begin in term 3 and if there are not enough students interested to form a group, I will discuss alternatives with you, so please let me know as soon as possible.

The **Breakfast Club** will resume in term 3 and so I am looking for volunteers again. If you would like to support this great initiative and get involved in the school community, please contact me via email, at the school rear gate or via phone through the school.

I look forward to meeting with you via phone, email or in person if possible. Stay healthy and safe.

Blessings, Rhonda Miller

## CANTEEN

Excellent start for Term 2 2020! Thank you to all students, parents, and staff for your support in bringing canteen back over the last two weeks. It is lovely to be back and to see all the children so happy each Friday. We would also like to thank parents for their support in placing all lunch orders online, reminder that all orders need to be placed before 8.15am on Friday mornings. For online ordering please go to <https://quickclig.com.au/> to register your child and order lunches.

Please do not hesitate to email or call me if you have any questions, concerns, or general feedback.

## P&C NEWS

It was a productive P&C meeting on Monday evening with two motions voted on and unanimously passed. These were the adoption of the new sports shirts. There'll be a lengthy transition period and still a bit of groundwork and planning to be done. Thanks to Kate Hopper for driving this initiative. Secondly - and something the school community has been wanting and working on for a while - is the installation of 30 galvanised metal bike racks. These will be situated in three different locations around the school and on concrete pads. All part of encouraging and keeping our kids active, and part of the Your Move movement at the school. Cost to the P&C will be \$2,345 with \$2,345 coming from the Town of Mosman Park. Thanks to Elissa Paterson for the initial idea and to Claudine Gardiner and P&C Vice-President, Nick Lonie, for organising and for their work and research on this project.

Thank you to all parents who use the Canteen and support other fundraising for the P&C. This is an example of where these funds raised are spent.

Best regards,

Jane Cresswell
