# Your guide to parking around schools

TOWN OF  
MOSMAN PARK

## We all have a duty of care.

Parents are key instructors for road safety education for children, especially around schools.

Start road safety awareness early – establish road safety practices and routines at a young age.

## What can you do to keep school children safe?

Slow down around schools and keep to the speed limit when travelling through a school zone.

Avoid rushing - Allow yourself sufficient time to drop off / pick up your child.

Consider other ways of getting to and from school such as walking, cycling or by bus.

When out walking, practise the "Stop, Look, Listen and Think" rule every time you cross the road.

How you behave in road safety is the way your child will learn. Please lead by example.

## Signs commonly found around schools.

### No Stopping

You must not stop on a length of road to which a **No Stopping** sign applies.

### No Parking

You may stop in a **No Parking** zone for a maximum of two minutes to drop off or pick up passengers. You must stay within 3 metres of your car at all times.

### Parking signs

Parking signs with specified time limits allow drivers to park their vehicles for a certain period of time, for example one hour parking.

### Bus Zone or Bus Stop

must be kept clear at all indicated times. It is illegal to stop or park in or near a bus zone or bus stop unless you are driving a bus.

### Continuous Yellow Line

Where you see a **continuous yellow line** you are not permitted to stop or park in these zones at any time, even if you are only stopping to let someone out of the car.

## Young drivers who drive to school

Leave enough time to locate safe and legal parking.

Familiarise yourselves with car parks and other parking options around your school.

When parking in the street be mindful of residents and other road users

## Parking on reserves

Driving or parking on the Town's reserves can damage the turf and reticulation. Offenders may attract a \$125 penalty.
