

VISION FOR RECONCILIATION

At Mosman Park Primary School our vision for reconciliation is to continue to:

- **LISTEN** - For the benefit of all; to celebrate, embrace and take pride in the richness of Aboriginal and Torres Strait Islander cultures, stories and continuing contributions.
- **LEARN** - By acknowledging past colonial wrongs and to move forward together; deepening our understanding and valuing of Aboriginal and Torres Strait Islander cultures, heritage and connection to Country.
- **LEAD** - Through the creation of opportunities for respectful and equitable cultural partnerships within our community and beyond; and by respectfully embedding knowledge of local Noongar geography, culture and language, and the knowledge and perspectives of other Aboriginal or Torres Strait Islander Nations, in our everyday pedagogies and practices.

We believe in, and are committed to actively fostering: TRUTH, JUSTICE, HEALING.
